Silkk (Fiend):
NO LIMIT (4X)

(Nigga spell that shit you represent, Shocker)

N-O-L-I-M-I-T

(What kind of ride you got from all that hard workin,

Range Rovers, Lex Rollers, Benz, Lexus, Jeeps, Jags
(What's the type of bitch niggas No Limit don't fuck
with)

Fake, snitch, jive hatter, punk, sucka, busta, coward
(What kind of niggas you love to make your money
with)

Thugs, Gs, ridas, soldier, ballers, playas, hustlers,
money makers

(And what's that feddy, what's that name for that
feddy)

Scratch, scrilla, mulla, doe, paper, duckets, cheese,
green

(Now Silkk bust that made man shit)

Ahhhhhhhhhhhhhh

Yo, yo, I come into the room like I was high on dope
Shit's Bitter

Rhymes out till my mutha fucka's call time out(time out)

I'm a tank dog plus I bank yall, plus I outrank yall
Like I can't ball, what the fuck yall niggas thank dog

I ain't sure I can't fall, nigga

Bodies full of tatoos, break all the rules

Too much to lose, I can't fall

So nigga how u want me to do it, mean how ya want me
to rap

Want it fast flow, ROWDY, or laid back(shit)

So is that all you sayin nigga sayin

Play back, can't beleive you'd say that

Been doin this from way back

Just 12 missions with 4 tracks

you know that i been with the in crowd

Business style, been while

Shit fuck the dumby, fuck the money

My earrings cost ten thou.
The taller i get the moment I get, in fact
If I grow 7 feet, shit I could retire from rap
So when I go on, hardcore never go soft
Shit i'ma throw the fuck off,
Somebody call me a shrink, don't even blink, I don't
think
Djuo wanna fuck with me, like that 'cause I'll beet ya
ass so bad boy
Won't even think bout fightin back
I'll put one in your chest, done it for less
I want the cash, none with mental stress
Don't feel love, kept my heart up under my vest
If not the coldest, atleast one of the best(huh bro)
I say thangs people scared say, Dj scared to play

But I'm Silkk the Shocker, get my doe from
underground
Add it to my scale it's another pound
Here's to all yall questions
So many gots to wonder now
Rumors get me kinda mad
