[Fiend]

Who was the first of the brothers
who said no bottle, because a
They crossed a bird
Had to get his hustle on with rocks and herbs
From the curb, I observe
Making tunes, I would be getting Benz and Jewels
You niggas give me room
Before I bring a lots of doom
I be soon to wearing time
17 and getting heavy
Seven fingers like off to find the relly
Oh my felly, my belly
Full of fast food
'cause I know that cash rules my life
To like as twice as the nights
I'm living, Try my life
Fully rusted, Is a chance to get a cop busted
But I stick em' and break it off
So the rest won't test me
Luckily, Never sticking my business

Til' these hoes, And I give my friends living tears
Like my department store, C'mon
(Uhhhhhh)

(Chorus- 2x)

[Kane and Abel]

Picture me and Fiend chopping up a half a key
Twenty-Bitches you asked for them, 2-52 for me
I'm bout to get into thuggin', muggin'
Yeah this O.P. chuggin'
You can find me in the hood
Tryin' to slang something
I serve a million Fiends
For million dollar dreams
B.B.S. stretch Lex, Bitch I'm bout my cream
Thunder Weed and Sex
More crack than cracker jack
Silkk, 100-dollar, Tens
Please tell my friend he be right back
They say we hold it down
Like we paralyzed from the neck down
Slang from sun down to sun down
Smoking A Pound

(Chorus-2x)

(M.P.- Uhhh Nigga this a muthafuckin' 211

[Kane and Abel]

Put a game til' the game's over
Soldier, Ready and willing, I be letting dissing
To get paid with a gyps of AK's
If you looking for revenge, Better dig two graves
Playa, time to drop some game with the ballers
20 A grams, OZ's, To A balls to quaves
My hustle never stop, uh

Till a rock to rock C'mon

(Chorus-4x)

[Master P]
