Yo, Fiend, you and Snoop Dogg
I'm comin at 'cha, what're ya smokin' on?

Who got that fire?
Won't you pass me the green so I get higher?
(I wanna know)

Who got that fire?
Won't you pass me the green so I get higher?
(I wanna know)

Who got that fire?
Won't you pass me the green so I get higher?
(No Limit wanna know)

(I said smoke it)
Who got that fire?
Why don't ya pass me the green so I get higher?

Nah, I know, who's that solider, rollin' longs nigga
Thicker than Monifah, it's I, capital F-I
The keeper of the reaper
Smokin' cheba with my colonel P, Snoop and Mystikal
Pull over, I'm takin' pullas
Fucked up, can't ya tell?
Take a smell, let me whiff that
Since God goes, you gone
Tatoos, that can only been choked, seven zones
I'm grown, and well known to be surviving in hell

Hangin' 'round long enough to get through the clouds
It's something by [Incomprehensible]
Got a story to tell
Which is the life of the baddest
Born from ashes, the smoke of dead, of an addict
Got to have it, 'cuz baby boy, it's a habit
Puff it and fuck some pussy, and see which one I grab
quick
I'm that sick, I need weed to proceed
Like a band-aid for a cut, hopin' to stop the bleedin'
No, not the seeds, I done paid for the pickin'
Only the green stickin' for the record

(I'm a smoker)
Who got that fire?
Won't you pass me the green so I get higher?
(I wanna know)

Who got that fire?
Won't you pass me the green so I get higher?
(Snoop wanna know)

Who got that fire?
Won't you pass me the green so I get higher?
(Fiend wanna know)

Who got that fire?
Why don't ya pass me the green so I get higher?

Ever since my first puff, it seems I couldn't get enough
But I just couldn't quit, I had to have another hit
I'm smokin' green with a fiend by the age of eighteen
I chop a pound to the ground, went cavi on the triple
beam
Once upon a time, before I used to bust rhymes
I had to scratch to get a nickel in order to get a dime
But times done change, now I'm havin' mines
And I'm protected by the tank, No Limit, and plenty
nines
I grinds to the fullest, so when I'm finished I got to pull
it
I'm lookin' for that green shit, boy, you bite the bullet
For tryin' to sell me bullshit [Incomprehensible]
You know I'm lookin' for the bombest weed in your town
Now, I'm a smoker

Now you know what that mean?
Check this out, Fiend
Everytime a nigga go outta town
Somebody always approach me talkin' 'bout
"I got the chronic, we got the chronic"
Muthafucka, chronic ain't brown with
Seeds and stems in the bag nigga, who got it?

Who got that fire?
Why don't ya pass me the green so I get higher?
(I wanna know)

Who got that fire?
Why don't ya pass me the green so I get higher?
(Fiend wanna know)

Who got that fire?

Won't you pass me the green so I get higher?
(Snoop wanna know)

Who got that fire?
Why don't ya pass me the green so I get higher?

I'm a smoker
(Say what?)
I gives a fuck if you know
The front seat of my ride is like a ashtray, hoe
I blows some good corn playa, this ain't no phase
My mood is purple haze with Franky, Devi and Maze
Must age, just in case, fumes floatin' on ceilings
Yes, that great feelin's when herbal dealin's get
millions

Kill the muchies, every time I blaze
Sometimes I think I'm hustlin' to support bloods and
jades
But man, fuck it pays stayin' high in the regular
Mean fiend personally steps over competitors
Nigga have it however, this brain is the bomb
'Cuz all my tank dogs wanna go to orbit and beyond
So up there on to the lawn, real G's can picture this
Look mom, no fingerprints, and smoke it to my
fingertips

Who got that fire?
Won't you pass me the green so I get higher?
(Fiend wanna know)

Who got that fire?
Why don't ya pass me the green so I get higher?
(Tank wanna know)

Who got that fire?
Why don't ya pass me the green so I get higher?
(Craig D wanna know)

Who got that fire?
Why don't ya pass me the green so I get higher?
(No Limit wanna know)

Yo man, yo beats by the pound, man
What we get hiigh in the muthafuckin' house
But check this out, soldier boy
Pass me the muthafuckin' weed, you're fuckin' up the
rotation
It's puff puff pass, ya heard me?
Who got that fire?
