Jumped out of my seat when I got the text
I got a nomination
I know that I am not the best
Am I gonna win?
Got to my seat here I am for the first time
Look to my right and I see Leann Rimes
I see J Lo with her babies
Lady GaGa looks like a rapist
My tummies turning and I'm feeling like I lost it
To much pressure and I throw up
When the annoucer said on the microphone
Taylor swift has won
Taylor swift has won
Taylor swift has won

So I went up but not fro very long
'Cause Kanye took my mic away
At first I thought it was ok
Then I wanted to make him pay
He said
WHat is up
Results are wrong
He says he loves Beyonce
Yeah, Everybody hates Kanye
Yeah, Everybody hates Kanye

Get to the sub and I'm looking fab
Feels like the walk of shame
Like whos that chick
That just gto dissed
She's gotta be feeling lame
So hard to keep the tears from running
Better look out for what is coming
'Cause all I see is his ego
I guess he came from the ghetto

Your rep is turning and I'm starting to enjoy it
To much pressure on the trigger
And the bullet went straight for you
And shot I in you in the face
And shot I in you in the face
And shot I in you in the face

So I went up but not for very long
'Cause Kanye took my mic away
At first I thought it was ok
Then I wanted to make him pay
He said
What is up
Results are wrong
He says he loves Beyonce
Yeah, Everybody hates Kanye
Yeah, Everybody hates Kanye
