artist: FIFI

song: No wife, no horse, no moustache

Wanna shave, wanna shave

But it's something that I can't do

Wanna shave, wanna shave

Though I really really want to

Wanna shave, wanna shave

What am I gonna do

What am I gonna do

What am I gonna do...

Wanna trot, wanna trot

But it's something that I can't do

Wanna trot, wanna trot

But I'm lacking something that's required to

Wanna trot, wanna trot

What am I gonna do

What am I gonna do

What am I gonna do...

Wanna whore, wanna whore

I can't find a love who would be true

Wanna whore, wanna whore

But ya can't really blame me to

Getta whore, getta whore

That'll be a helluva lot easier to do
