And we've got
Soviets and Americans - Brothers and
Sisters
Iraqis and Iranians - Parents and Children
Mexicans and Americans - Brother, are you an alien?
No brother I'm from the planet Earth
And we got
White man and Black man - Brothers and Sisters
Yellow man and Red man - Parents and Children
Brown man and every man - Brother, what's your Race?
No Brother I'm from the Human Race
Separation, division, it's so easy to find a reason
But it all means nothing, when the end comes crashing
down
I've heard a million reasons why we should hate each
other
I ain't heard no reasons why we should get along

We should get along
And we got
Rich man and Poor man - Brothers and
Sisters
Right wing man and left wing man -
Parents and Children
Businessman and Everyman - What's your
Classification?
No Brother I think we're all the same
Yeah Brother I Know we're all the same
I saw, I saw we're all the same
And we got
Protestants and Catholics - Brothers and
Sisters
Jews and Hindus - Parents and Children
Christians and Muslims - Hey man what's your Religion?
No Brother We're all God's Children
We're all God's Children
