Land Mine - Blew my legs off
Now I sit by - The subway station
Land mine - Blew my legs off
I ask for change - You turn your head and walk away
I was a kid once - I got forced into it
I couldn't afford college - I didn't have a deferment
They call it service - Dismemberment
They call it service - Amputation
Germany Panama Lebanon Korea
Vietnam Philippines Iraw.. This time it's Bosnia
Favorable Statistics - And smiling confident Presidents
Couldn't ever portray - An 18 year old
Cut in half never gonna walk again Never gonna run
again
Never gonna Stand again
Land mine - Blew my legs off
I ask for change - You say to yourself just another
alcoholic
Land mine - Blew my legs off
I got some change - I think I think I'll drink it all away
I was a kid once - I got forced into it

I couldn't afford college - I didn't have a deferment
They call it service - Dismemberment
They call it service - Amputation
Germany Panama Lebanon Korea
Vietnam Philippines Iraw.. This time it's Bosnia
Favorable Statistics - And smiling confident Presidents
Couldn't ever portray - An 18 year old
Cut in half never gonna walk again Never gonna run
again
Never gonna Stand again
