I need Coca-Cola I need Preparation H
I need Texaco and Shell and Exxon I need Chevrolet
I need Camel cigarettes I need Budweiser Beer
I need cable channels 195
I need 10 kinds of shampoo just so I can stay alive
I need gainful employment I need a rental agreement
I need a CAREER I need enslavement
I need a hole in my head I need a hole in my head

Sun comes up rains light down on the sky warms the
Earth that's where I live
Sun comes up pulls rain down from the sky wets the
Earth that's where I live
Sun comes up rain and light grow the food on the Earth
that's where I live
Sun comes up all my needs are provided for by the Sun
on the Earth once the day's begun
