There's so many things i like about you, I..  
I just don't know where to begin, ha ha heh

I like the way you, look at me with those beautiful eyes,  
I like the way you, act all surprised,  
I like the way you, sing along,  
I like the way you, always get it wrong,  
I like the way you, clap your hands,  
I like the way you, love to dance,  
I like the way you, put your hands up in the air,  
I like the way you, shake your hair,  
I like the way you, like to touch,  
I like the way you, stare so much,  
But most of all....  
Yeah..  
Most of all....

I like the way you move.....

I like the way you move.....

I like the way you, put your hands up in the air,  
I like the way you, shake your hair,  
I like the way you, like to touch,  
I like the way you, stare so much,  
But most of all....  
Yeah..  
Most of all....

I like the way you move.....

I like the way you move.....

I like the way you, put your hands up in the air,  
I like the way you, shake your hair,  
I like the way you, like to touch,  
I like the way you, stare so much,  
But most of all....  
Yeah..  
Most of all....

I like the way you move!
