There's so many things i like about you, I..
I just don't know where to begin,

I like the way you, look at me with those beautiful eyes,
I like the way you, act all surprised,
I like the way you, sing along,
I like the way you, always get it wrong,
I like the way you, clap your hands,
I like the way you, love to dance,
I like the way you, put your hands up in the air,
I like the way you, shake your hair,
I like the way you, like to touch,
I like the way you, stare so much,
but most of all....

Yeah..
most of all....

I like the way you move.....
I like the way you move.....

I like the way you, put your hands up in the air,
I like the way you, shake your hair,
I like the way you, like to touch,
I like the way you, stare so much,
but most of all....

Yeah..
most of all....

I like the way you move.....
I like the way you move.....

I like the way you, put your hands up in the air,
I like the way you, shake your hair,
I like the way you, like to touch,
I like the way you, stare so much,
but most of all....

Yeah..
most of all....

I like the way you move
