câ´mon yeah yeah

[vers 1]

youâ´ve been talkin in your sleep and youâ´ve raised  
my curiosity  
youâ´ve been calling out a name let me down in your  
senserity  
so whyâ´d you play these games with me whyâ´d you  
let me down when  
all I ask is understand from you  
Gonna take no more of your..

[Chorus]

Infidelity why do you do those things to me  
Infidelity I need to find myself another love Iâ´ve had  
enough of  
Infidelity eyeah

[vers2]

I just have to realize that Iâ´m not your first priority  
I donâ´t need to live a lie full of lies and promiscuity  
So now Itâ´s time to take a stand time to take control  
Cause I donâ´t wanâ´t no second hand affair  
Now that Iâ´m aware of your

[Chorus]

Infidelity Why do you do those things to me  
Infidelity I need to find myself another love Iâ´ve had  
enough of  
Infidelity.. I need to find i need to find..

Infydely Why do you do those things to me

Infidelity I need to find myself another love Iâ´ve had  
enough of  
Infidelity...I need to find I need to find..

[Stick]

now Iâ´m gonna leave it all behind  
gonna think about myself this time  
Thereâ´s no chance I give it one more try

There's no chance to give it one more lie  
I won't wait for you to play your game  
I won't wait for you to try again  
Now i now what I'm supposed to do.  
Live my life without you

Now It's time to take a stand time to take control  
Cause i don't want no second hand affair  
Now that I'm aware of your

Infidelity I need to find myself another love I've had  
enough of

Infidelity Why do you do those things to me  
Infidelity I need to find myself another love I've had  
enough of
