The music's pumping, everybodys jumping  
New York to Cisco, DJ's playing disco.(x2)  
Ba da da da ba ba  
Ba da da da ba ba, ba ba(x2)

Verse 1:

Tell me girl why you still crying  
There's no point cos he's still lying  
You don't need him he's no good  
He doesn't love you like he should  
Let him go, don't you know  
Girl you've got to take it slow

Chorus:

So let's party all night  
'Cos the feelings oh so right  
Get down on the floor and work it some more  
So tonight you're the queen  
Treat them mean, keep them keen  
Keep on movin and you wont stop  
Groovin'  
Ba da da da ba ba  
Ba da da da ba ba, ba ba(x2)

Verse 2:

Tell me girl, why you still tripping  
Yeah I know what I'll been missing  
Tell me now who do you believe  
Don't let me go  
I need you so  
I'll tell you what you need to know

Chorus:

So let's party all night  
'Cos the feelings oh so right  
Get down on the floor and work it some more  
So tonight you're the queen  
Treat them mean, keep them keen  
Keep on movin and you wont stop
