[Phone ringing]

[Fifty]

Aww man...who the fuck is callin'?..

I don't even wanna answer this shit...Hello?

[Man on phone]

Whattup nigga it's Black

Remember me from way back?

We used to go to school together

Man, I got your number from Heather

She said you sell guns, I got beef I wanna see what you got

And if I like it I'll cop

[Fifty]

Damm nigga, you hot

You talkin' like you tryin' to get a nigga knocked

What time is it? man, it's fuckin' 4 O'clock

I shouldn't sell you shit, but Son, meet me on the block

I ain't got time to waste man, where this nigga at?

I'm in the Brown hooptie, there he go, I see 'em

Pullin' up slow in the BM

I popped my trunk to show him what I'm workin' wit',

First I showed him the Teck

I told him Niggas give these shits respect

But you don't want this, Man

These shits is known to jam

This is a little smaller here,

And a little more common, 9 Millimeter Ruger

16 shots, hollow points will go through ya

And this? this here? this is a 12 gauge Mossburg kid,

Two shots and you can wet like half a block

This shit here gets my dick hard,

It's a Calicko, it holds a Hundred shots

If you can't kill your beef with this you need to stop

C'mon, pick somethin' now nigga, you know it's hot

[Other Man]

Man, stop actin' like that nigga, just show me what you got

[Fifty]

Aight, nigga look, I got Two 380's,  
One black, one chrome, and 4 glocks  
They all hold 21 shots  
Look, I done been through all my shit nigga,  
So tell me what you want

[Other Man]  
(Click clack)  
It's hard to choose man, I think I'll take 'em all

[Fifty]  
Oh, you gon' do me like that?  
I got one more piece to show you, my Deringer,  
I keep it in the small of my back  
It's a two shot, it's chrome, my initials engraved in it

[shots ring off]  
Look at you now, you had to get it  
Your BM? I'm takin' it, shit, you don't need it  
Park it where I can watch it at and see if it got low jack  
Then take it to the chop shop to my Man Kojak  
He gon' give me more cream so I can cop mo' gats  
Joe and Duke came through, them niggas copped two  
Tecks  
Said "Don't go by the gamblin' spot, that shit gon' get  
wet".
