Son you smell that? What's that?  
I smell pussy. Is that you Irv?  
I smell pussy. Is that you Ja?  
I smell pussy. Is that you Black?  
I smell pussy. Is that you Tah?  
Y'all niggas is pussy  
I'm ballin' now nigga now watch me (watch me)  
Ain't nothin' you can do to stop me (stop Me)  
You niggas get so emotional (emotional)  
You remind me of my bitch.  
It's not in my nature to make a commitment so let me  
breathe,  
But she doesn't understand catch attitudes when I  
leave her (leave her)  
Like being on probation makin' it harder for me to  
except her  
As my own she tries to tie up my phone and (phone  
and)  
I'm not at home she's thinkin' that I'm not alone  
probably out tryin' to bone anything in the street  
I let her know she can leave I ain't tryin to tie her up but  
see  
It's hard to fuck with somebody after she touches me  
mami  
I'm not your regular nigga I know the game (I know the  
game)  
But I don't play by the rules I'm focusin' on my moves  
that way I'll never lose  
See I can tell by your shoes if you attracted to Benz's  
with 22's  
Say I confuse you play little tricks with your head  
Catchin' feelin's ever since the first time I slept in your  
bed  
I'm not here to tease you mislead you or mess up your  
dreams (nah)  
I can't say I love you I don't know what that means  
I'ma pimp.

[Chorus: (x2)]

Girl you know I like it when you climb on top  
Love muscles feel tighter than a headlock  
And you know I love the way you make the bed rock

Take me to extasy without taking Extasy

[Verse 2:]

When I first met her  
I did anything to get her (what?)  
Paid all her bills and filled the 'fridgerator (uh huh)  
Reminisce on late nights when I try to lay up  
But couldn't get off cause your baby would stay up  
She even crashed the whip tryin' to switch in the third  
lane  
That's when I realized this bitch was a bird brain  
A pigeon writin' her baby pops in the box in the prison  
Sing-sing is where he biddin'  
She in the Gucci tights and Findi high heels  
Baby wipes and cans of Infamil  
Moter bike and grams of fish scale  
It's a 9 to 5 niggas with no frills  
Turnin' young niggas with princables to old men with  
debts  
And all the prank calls was death threats that bitch had  
the best sex  
All across the globe and the bitch head game was out  
of control

[Chorus: (x2)]

Girl you know I like it when you climb on top  
Love muscles feel tighter than a headlock  
And you know I love the way you make the bed rock  
Take me to extasy without taking Extasy

[Verse 3:]

I'm wonderin' when I'm gone if you'll miss me (miss  
me)  
Or do you miss the Don Perion and the Cristy  
I'm fuckin' with you  
I'm feelin' your shape I'm feelin' your eyes  
Later on I'm feelin' your ass and feelin' your thighs  
(come here baby)  
Sweet heart your book smart and street smart (uh huh)  
I knew you was my type from the very very start (yeah)  
I'm into tongue kissin' and four play all day  
Mama ain't home so the noise is okay  
O.D.B you know he like it the raw way  
Latex safe sex no hickies on the neck  
Now you learnin' (whoo)  
The Lords blessin' makes me wiser as the world's  
turnin'  
My tongue touch the right spot have your toes curlin'  
Whether we're just kickin' it or sexin' (uh huh) I'm a pro  
baby girl I spit game to perfection (Yeah)  
So when niggas make mistakes I correct them and

When niggas get out of line I check them man

[Chorus: (x2)]

Girl you know I like it when you climb on top  
Love muscles feel tighter than a headlock  
And you know I love the way you make the bed rock  
Take me to extasy without taking Extasy
