Slipping I'm give you what I got for ya, my clip loaded  
with 16 shots for ya, you never had a hot gun  
On ya waste and blood on your shoe because a nigga  
went and said the wrong shit to you, homie  
You ain't been threw what I been threw you not like me  
and I'm not like you.

[Verse 2]

I'm like an animal wit it when I spit it's crazy, got semi-  
autos to put holes and niggas try to play me,  
One shot is not enough you need at least a uzi to move  
me, after four bottles of don  
The kid start to feeling woozy, I write my life you write  
what you see in gangsta movies, I'm  
Gangsta to the core nigga you can't move me, I find  
my space at the top I got this rap shit  
Locked, I never heard of you you heard of me, I murder  
you, I spit shells to your convertible  
Lotis you notice Richer or poor hollow steel go through  
your door this is war,  
You scare of me you not prepared for me the kid is
