[50 Cent]

Uh huh...yea

Verse 1

Shorty the Henny got me feeling right
Ya heard me?
My momma gone you could spend the night
Ya heard me?
I'm not playing I'm trying to fuck tonight
Ya heard me?
Clothes off face down ass up c'mon
Shorty you roll with the winners right
Ya heard me?
You see now me I got my money right
Ya heard me?
I'm tryin to teach you how to play, how the big boys play
When you come around my way
Ya heard me?
You see the Bentley got the 20 inch crome
Ya heard me?
You could get in but don't touch the phone
Ya heard me?
Money come money go I know
But everytime I flow it's mo money fa sho
Ya heard me?
In the street niggas sayin I'm nice
Ya heard me?
Watch flooded no more room for ice
Ya heard me?
Niggas be on tv struttin' hard
And in the hood the same niggas that be gettin' robbed
Ya heard me?
You might hear I get shot but I don't get robbed
Cause me, I be on my jog

[Chorus]

You like it when I back that ass up on you?

[50 Cent]

Ooh, baby I like it, I like it

When I work that ass, that ass

[50 Cent]

Baby I like it, I like it when you put it on me I got a Kool-Aid smile

And baby I like it, I like it

[50 Cent]

Everytime we dance you make it worth my while

And baby I like it, I like it

[Verse 2]

Shorty if you wanna roll with some ballers and shot callers

I wanna make sure you hear me

Ya heard me?

We rap now we rollin and I'm holdin'

And I'm gonna make sure you hear me

Ya heard me?

I freak off with the video chicks

Ya heard me?

Sweatin' tracks out in back of the 6

Ya heard me?

MTV they gonna play my hits

Ya heard me?

Even though I'm real ghetto and shit

Ya heard me?

I got a g niggas shoot that ace

Ya heard me?

Your ass bettin' I'm gonna cut your face

Ya heard me?

Last thing I need is to catch a new case

I don't know nothing about them high heads but I sell base

Ya heard me?

The city boys trying to kill a kid

Ya heard me?

Shot me up in front of my crib

Ya heard me?

He had the drop I couldn't run from him

Shot in the hand trying to take the fucking gun from him

Ya heard me?

Little homie saying "50 you tough"

Ya heard me?

9 shots just wasn't enough

Ya heard me?

[Chorus]

[Verse 3]

Nigga you best be commin' up with my cash

Ya heard me?

Don't make me go and get the Gat out the stash

Ya heard me?

I'll come back and pop one in your ass

Ya heard me?

Don't play wit the money, no not with the money

Niggas get knocked when they start playing games

Ya heard me?

Stop telling the police my name

Ya heard me?

I don't mind givin chicks them tips

Ya heard me?

They let me play with then tits and hips

Ya heard me?

When I come through they know I'm a thug

Out in Atlanta in the gentlemen's club

Ya heard me?

I rap but I'm still selling them o's

Ya heard me?

My man Mike still pimpin' them hoes

Ya heard me?

He said if the hoe knew better she'd come do better

And make a pimp more chedder

Ya heard me?

[Chorus]

[50 Cent]

50 make it crazy in the club

I'm speaking clearly so you can hear me

I come through niggas always show me love

I'm speaking clearly so y'all can hear me

Niggas want beef, y'all could see me in the street

I'm speaking clearly so you can hear me

But you better come correct, cause we move around
with heat

I'm speaking clearly so y'all can hear me
