The devil walked with me
He looked me in the eye
Said once I was all trouble for the world

Then I saw the light
And now I feel the joy
Believe me now, for I bring you the world

Jesus, Jesus saves
Jesus, Jesus saves

Took me to this home
Showed me all his sin
Said this is how I used to spend my days

Misery in hell
Master of my world
Now I've mended all my evil ways

Jesus, Jesus saves
Jesus, Jesus saves
Jesus, Jesus saves
Jesus, Jesus saves

Jesus, Jesus saves
Jesus, Jesus saves

The devil walked with me
He looked me in the eye
Said once I was all trouble for the world

Then I saw the light
And now I feel the joy
Believe me now, for I bring you the world

Jesus, Jesus saves
Jesus, Jesus saves
Jesus, Jesus saves
Jesus, Jesus saves
