It's hard to take but it must be true
Even though you never had a clue

You always took yourself too seriously
When all the time you just wanted to be me
You wanted to be me

'Cause I don't want to be a karaoke star
And who the fucking hell do you think you are?
You talkin' to me as if I'm a dumb kid
Singin' your songs, I must've been stupid
I must've been stupid

Went across the land and across the sea
And all you ever did was bitch at me
You couldn't play what I wanted to play
So do your own thing and I'll go my own way
Go my own way

'Cause I don't want to be a karaoke star
And who the fucking hell do you think you are?
You talkin' to me as if I'm a dumb kid
Singin' your songs I must've been stupid
I must've been stupid

While you're at home making your dad's tea
I'll be having fun making history
I know you're happy back where you are
Well, I'm not gonna be a karaoke star
A karaoke star

Go

So you go your own way, I'll go mine
It's not a competition, I hope you do fine
You never learned to use your ears
'Cause now you sing shit like Britney Spears
Like Britney Spears

'Cause I don't want to be a karaoke star
And who the fucking hell do you think you are?
You talkin' to me as if I'm a dumb kid

Singin' your songs I must've been stupid
I must've been stupid

While you're at home making your dad's tea
I'll be having fun making history
I know you're happy back where you are
Well, I'm not gonna be a karaoke star
A karaoke star

I don't want to be a karaoke star
And who the fucking hell do you think you are?
I know you're never ever gonna go very far
You're a karaoke star, you're a karaoke star
A karaoke star
