[Halford]

Trangress your fake religion  
Sick ideology  
Debased TV communion  
Apology?

Contempious self indulgence  
Outsides a living hell  
Excessive words can't enter  
This padded cell

Kill it, kill it, kill it  
Kill it, kill it, kill it

Infernal thoughts invading  
My inhumanity  
Provoked by godly judgement  
Wait till I'm free

Assult the shinning icon  
My temples severd head  
The lambs satanic beating  
Incestious bred

Kill it, kill it, kill it  
Kill it, kill it, kill it

Our father screams in heaven  
Wounded and wire tied  
Imploring for extinction  
We're crucified

Accused by burning angels  
Unconconscious in a cage  
I eat the holy bible  
I am the plague

Kill it, kill it, kill it  
Kill it, kill it, kill it  
Kill it  
Kill it

Kill it
