(Rob Halford/Brian Tilse/Scott Travis)

Verse :

Mind's eye in darkness,

See how they run.

Fools search for nothing,

Stare at the sun.

Chorus :

See how they run

There's none for me

I, stand with you

Stare at the sun

We take them in

And, we turn the screw

Verse :

Talk to the madmen,

Fill them with lies.

Now pay the piper,

As honesty dies.

Chorus :

See how they run

There's none for me

I, stand with you

Stare at the sun

We take them in

And, we turn the screw

Never,

Never

Blood on their hands into quicksand.

Verse :

What's left to dream for,

This endless line.

Ladders to nowhere;

Blind lead the blind.

Chorus :

See how they run

There's none for me

I, stand with you

Stare at the sun

We take them in

And, we turn the screw

See how they run

Stare at the sun.
Fill them with lies;
As honesty dies.
Never,
Never
Blood on their hands into quicksand.
