Extinct attention's algorithm,  
Conclude ruination's entity,  
Stalemate for drenched cranial test,  
For authoritarian trinity.

This day of never coming dawn  
Before the cursed sunset  
From sluggish brains conducted spawn  
Lick corporative ass knee-deep in shit.

Don't wage meat war for change this path,  
Don't would be allowed it's your really bugs-  
Coz' the sleek-sight worshipers sucks,  
When cling to an image slugs!

Don't break your voice before their scorns,  
Just save your arguments in the initial forms.  
Be aware of your own mind,  
Don't release the false conscience's responses.
