(Tell me what you want)  
You want sexy, you want fancy, you want money  
You want to party  
(Tell me what you want, boy)  
That's me baby, that's me baby, that's me baby  
Oh that's me baby

I can give you the whole wide world  
Anything you want if you'll be my girl  
I want you bad, you know I want you bad  
Would you like that new iPhone?  
A paid shopping spree and a trip to Rome?  
I want you bad, you know I want you bad

I'll give you the keys to my cars  
Even pay off your credit cards  
Just go steady with me baby  
You know, I'm the boy you wanna get with

(Tell me what you want)  
You want sexy, you want fancy, you want money  
You want to party  
(Tell me what you want, boy)  
That's me baby, that's me baby, that's me baby  
Oh that's me baby

I can give you the whole wide world  
Anything you want if you'll be my girl  
I want you bad, you know I want you bad  
We'll stay at Presidential suites  
Tables at the clubs it'll be my treat  
I want you bad, you know I want you bad

I'll give you the keys to my cars  
Even pay off your credit cards  
Just go steady with me baby  
You know, I'm the boy you wanna get with

Now all the girls (yeah! ), we love the boys (oh yeah! )  
I love the way they spend their money just to try to get  
with me  
Now all the boys (yeah! ), we love the girls (oh yeah! )

I love the way they grind that booty in the club like a  
machine

You know that I got it and you really, really want it  
Girl, I know that you got it and I really, really want it  
Now everyone (yeah! ), let's have some fun (oh yeah! )  
Yo DJ, pump this song because the party's just begun!
