There's a place you want to go,
It's a beach so Wayo that only locals know,
Take a break,
You're in paradise,
So relax under tropical night skies,

The aqua breaks with the pure white sand,
Surfer girls get their tans while boys pump the jams,
Where everybody knows your name,
And the lovin' takes away the pain,

Wayo Beach is where you wanna go,
It's not far if we just take it slow,
It'll be a home away from home,
Wayo Beach is where you wanna be,
It's the only place for you and me,
We'll be living out fantasies on Wayo Beach,

[Alex?:] Hey yo bartender how much are the drinks?
[Bartender:] At Wayo Beach the drinks are freeeee!

So drink up some wikipikiwoos,
Just forget kokomo and say adios,
This isn't Maui,
It's Wayo Beach,
And the girls bring the heat,

[Girl:] hey boys;)

The girls bring the "huhuh"
Watch out for string bikinis,
Ohhlala,
Whose kissing by the boat?

Oh you know, it's always fun for everyone,
To find some love under the sun.

Wayo Beach is where you wanna go,
It's fine if we take it slow,
It'll be a home away from home,
Wayo Beach is where you wanna be,
It's the only place for you and me,

We'll be living out fantasies on Wayo Beach

There was a time when I was lost,
There was a time when I just couldn't find a way,
Til I lucked out and found the route to the promised
land,
My friend.
I found Wayo,
Wayo,
Wayo Beach.

Wayo Beach is where you wanna go, mmmhm
It's fine if we take it slow,
It'll be a home away from home,
Wayo Beach is where you wanna be,
It's the only place for you and me,
We'll be living out fantasies on Wayo Beach,

Wayo Beach,
There's a place you want to go,
It's a beach so Wayo that only locals know,
So relax under tropical night skies,

Wayo Beach is where you wanna be,
It's the only place for you and me,
We'll be living out fantasies on Wayo Beach.
