Same goes for you, I like my meatballs in a dish
And I like other people too.
As the saying goes I'm pretty nift,
But I'd love to see you in the nude
With overcoats tied around your head,
Japanese children in your bed
And then she looked at me and said
I don't like Simple Kid.
Holding hands with Elouise,
Taking smoke breaks as you please
You got a lot of fancy toys,
Christmas jumpers, lovely noise

Lovely noise (lovely noise)
Lovely noise that makes you love me (x3)

And I can't compete with all you talk about,
You're so informed
And yet you talk just like a lout you say
Yo la Tengo like you're selling perfume
Like a brand new scent for modern man,
Invented by cartoons.

So tie me up with jackets,
And fumigate my room
It smells like socks and tastes like apple schnaps
But you can live there too
And we'll play

Lovely noise (lovely noise)
Lovely noise that makes you love me (x4)

(Cha cha cha cha...)
Chimps don't like baths (x4)
