You got it comin' and you don't even know it
In just a minute I'll make you show it
All those things that you try to deny
Oh baby, baby, baby, it's just a matter of time

Before I take your hand and lead the way
Upstairs to the bedroom to play
Like BK you can have it your way
So c'mon baby, baby, baby don't be afraid

'Cause I'm, gonna give it to you just how you want it
And I'm, gonna give it to you just how you need
'Cause I'm, gonna hit you from every position
And I, won't stop until we're shakin' the sheets

I'll lock the doors and dim the lights
We're 'bout take this party outta sight because the
bed's over there you'll see
So just shake your ass on over there and wait for me

Oh, it's on
I'm gonna rock you all night long
From your head to your feet I'll make you feel the heat
And give me some lovin' that's sticky sweet

Oh, it's on
I'm gonna rock you all night long
From your head to your feet I'll make you feel the heat
And give me some lovin' that's sticky sweet

We'll start with the shirt 'cause it's comin' off first
It's lookin' like that bra's about to burst
Move to the back where I'll pop that strap
Oh baby, baby, baby I'm about to attack

Next thing I'm gonna slide on downstairs
But I ain't lickin' baby, no not down there
You gotta trust me 'cause I know you won't care

Baby, baby, baby I'll have to seein' in pairs

'Cause I'm gonna give it to you just how you want it

And I'm gonna give it to you just how you need
'Cause I'm gonna hit you from every position
And I won't stop until we're shakin' the sheets

The south is rising if you know what I mean
I got a feelin' I'm gonna fit like a key
And even if it's a tight squeeze
Oh baby, baby, baby that's between you and me

Oh, it's on
I'm gonna rock you all night long
From your head to your feet I'll make you feel the heat
And give you some lovin', that's sticky sweet

Oh, it's on
I'm gonna rock you all night long
From your head to your feet I'll make you feel the heat
And give you some lovin', give you some lovin', give
you some lovin', give you some lovin' that's sticky
sweet

I'm gonna make you bite that pillow
I'm gonna make you grip those sheets
I'm gonna make your body quiver
I'm gonna make you feel fuckin' complete
I'm gonna make you hoot and holler
I'm gonna make you drippin' wet
'Cause tonight baby girl you're gettin' something that
you'll never fuckin' forget

'm gonna make you bite that pillow
I'm gonna make you grip those sheets
I'm gonna make your body quiver
I'm gonna make you feel fuckin' complete
I'm gonna make you hoot and holler
I'm gonna make you drippin' wet
