Well I've been thinkin' for quite some time I've got a
one track mind
And as long as the party's poppin' you know I ain't
stoppin'
'Cause I'm havin' me a grand old time
When every motherfucker that I meet thinks that they
can party with me
Face on the floor you can't find the door
I won't laugh man I've been there before

Well I've been hearin' for quite some time I've got a
one track mind
And I'm here to confirm all the rumors, I know what you
heard it's nothing new for me to be absurd
To be the topic of so many it's my goddamn
responsibility
Drinks at the bar leads to sex in the car
I won't lie man I've been there before

Gimme a scoop of this and a drop of that
I'll take a shot of this and a hit of that
Gimme a one of these and two of those
Man I ain't never been this fucked up before
Booze, buds, and brews it's hard to choose
When I'm feelin' fine it's hard to lose
Grill me all night, I know you do
If I were you. I'd be jealous of me, too

Well I've been sayin' for quite some time I've got a one
track mind
So behind lock and key keep that liquor from me
If you don't then I'll drinkin' until I can't see
When every bartender that I meet keeps servin' me my
favorite drink
I can't complain when I feel this way I won't lie man I'm
lovin' today

And I've been knowin' for quite some time I've got a
one track mind
And I'm not fuckin' boastin' I'm fuckin' toastin'

To every single person that see's things my way

And if you don't like what you see then I suggest you
don't look at me
Can't change my mind, can't change my ways
I won't lie man I'm lovin' today

Gimme a scoop of this and a drop of that
I'll take a shot of this and a bit of that
Gimme a one of these and two of those
Man I ain't never been this fucked up before
Booze, buds, and brews it's hard to choose when I'm
feelin' fine it's hard to lose

Grill me all night, I know you do
If I were you, I'd be jealous of me, too
C'mon and do it, and do it, and do it 'til your satisfied
C'mon and do it, and do it, and do it 'til you're satisfied
Do it, do it, do it 'til you're satisfied
Whatever it is, do it, do it, do it 'til you're satisfied
Whatever it is, do it, do it, do it 'til you're satisfied
Whatever it is

Gimme a scoop of this and a drop of that
I'll take a shot of this and bit of that
Gimme a one of these and two of those
Man I ain't never been this fucked up before
Booze, buds, and brews it's hard to choose
When I'm feelin' fine it's hard to lose

Grill me all night, I know you do
If I were you, I'd be jealous of me, too
If I were you, I'd be tryin' find someone new
If I were you, I'd be getting my girl out this room
'Cause there's not that many things that I can't do
