You'll never believe what I'm about to tell you, but I
swear it's true

Last night I made a deal with the devil
He had me meet him at a quarter to two
He said he heard what I was up to
He said he heard I was his style
He said he's been wantin' to meet me
He said he's been coming around for a while

He told me everyone has been talkin' about all the
crazy things I do
He told me everyone has been wantin' to come and
have a wild time with you
He said I got a proposition that you might be interested
in
So I'ma need all your attention
And this is what he said

Man, you're gonna burn for this one
And you're gonna take a shot or two
But it'll be alright, you're gonna be just fine
Just let me come and walk with you
If you sell your soul for rock n' roll I'm gonna give it all
to you
I'm gonna make your dreams come true

So I started thinkin' about all the things he said
And it wasn't much of a decision, here's what was goin'
on in my head

I'd go to heaven for the weather
I'd go to hell for the company

And I know it'll be hot down there, but just think of all
the friends I'll see
We'll sit around the fuckin' table, talkin' shit and feelin'
fine
We'll take shot 'til we're unable to lift our glass another
time
Right before I go to bed, I'll grab some girls to clear my
head
And think about what the devil fuckin' said

Man, you're gonna burn for this one and you're gonna
take a shot or two
But it'll be alright, you're gonna be just fine
Just let me come and walk with you
If you sell your soul for rock n' roll I'm gonna give it all
to you
I'm gonna make your dreams come true

I sold my soul for rock n' roll 'cause I just couldn't say
no
I sold my soul for rock n' roll, so hell's where I gonna go
I sold my soul for rock n' roll

Man, you're gonna burn for this one and you're gonna
take a shot or two
But it'll be alright, you're gonna be just fine
Just let me come and walk with you
If you sell your soul for rock n' roll I'm gonna give it all
to you
I'm gonna make your dreams come true
