Can't you see it, can't you feel it
Revival's coming, coming to our land
We're hungry we're thirsty
We're tired of the things that keep us from you
Your awesome, your sovereign, we need a touch
From your hand, your righteous, your holy
You are the only truth I know

Your faithful, your awesome, your mercy's endless
And your loves everlasting

Can't you see it, can't you feel it
Revival's coming, coming to our land
We're hungry we're thirsty
We're tired of the things that keep us from you
Your awesome your sovereign we need a touch
From your hand, your righteous your holy
You are the only truth I know

Your faithful, your awesome, your mercy's endless
And your loves everlasting
