Diamond in the rough iâ€™m cut
But not a soul survives
begging for attention falling asleep at the wheel

Just a little loveless and foolish
To set yourself aside
Eat another lotus but donâ€™t spill the milk

I found
A door within my house
That I have never seen
Just routine irony

Hypocrisy much more than meets the eye
And in the end youâ€™ll be the death of me
I just know it I can feel it
In my bones now
In my bones now

Bend it till you break it youâ€™re locked down
Under the weight of the world
Lock it till you load it
Right side up and upside down

Youâ€™re the vacant entertainer

Quiet complainer charging by the hour
Lost another lifeline back to front and inside out

Hypocrisy much more than meets the eye
And in the end youâ€™ll be the death of me
I just know it I can feel it
In my bones now
In my bones now

In my bones
bones

Itâ€™s too late to see diamonds
Not too late to turn to stone

Itâ€™s too late to see diamonds

Not too late to turn to stone

Hypocrisy much more than meets the eye
And in the end you'll be the death of me
I just know it I can feel it
In my bones now
In my bones now
