I heard it in a dream
Iâ€™ve got to turn this around
The story puts me at a cross street
In the loneliest town

This will be the moment
Itâ€™s the strangest thing
It seems Iâ€™m nothing but an analog lover
Stuck in a digital game

Iâ€™m out of time
To light my way
Iâ€™ll run all night I wonâ€™t run away

Iâ€™m only dust
Caught up in the air
Look away and iâ€™m gone
Oh but iâ€™m still here

The cityâ€™s going under
I get that feeling again

Like losing pieces that add together
And theyâ€™re still missing in the end

Hail to the thief for his pitiful crimes and
Take what you need makes no difference to me
Hail to the thief heâ€™s right not to be sorry
Iâ€™m a man of the truth

Iâ€™m out of time
To light my way
Iâ€™ll run all night I wonâ€™t run away (Light my I wonâ€™t
be a runaway)

Iâ€™m only dust
Caught up in the air
Look away and iâ€™m gone
Oh but iâ€™m still here
