I gaze into my eyes  
I wander what my future holds for me in You  
I pray all day and night  
That I would do just what You want me to  
I will live my life for You

Just to please You, Father  
Is my one desire  
It burns in me  
Like a blazing fire

Things may come my way  
That will try to make me loose my sight of You  
But I will stand strong  
To what I know is good and true  
I will live my life for You  
For the rest of my days

Just to please You, Father  
Is my one desire  
It burns in me  
Like a blazing fire  
To preach the gospel to the nation  
To every tongue and every race  
And Lord, just to please You.
