Welcome to the classroom every day  
Where you can learn how to be a slave

So if your intent today is to  
Decrease your mentality  
You'll be ok

Got the darkest days criminal  
Smile it's your last so let him go  
Light our fires with gasoline  
Throw away green paper sheets  
Cuz we can

[Chorus]  
Can we change today  
Can I try another way  
Kill my conscience  
Kill my process  
Kill my knowledge  
Kill to show a better way

Spin partys are a way to control the mind  
Willed myself it's not a state of mind  
Borrow bathroom toiletries  
Full of light you'll make good aim  
We don't share

(Tech no mission) has bought a chance with your soul  
Welcome to shoe world where plastic flows  
Rob your third world countries  
Deny first world poverty  
No way out

Change to show a better day  
Change to cure a disease  
Change to show that his face has got the courage  
Yes it's rare

[Chorus]  
Can we change today  
[Screaming] Can I try another way  
Kill my conscience

Kill my process  
Kill my knowledge  
Kill to show a better way
