Iâ€™m not in your house  
But Iâ€™m not in your head  
And your not even listening  
Itâ€™s so hard to know when youâ€™re not scared  
Please donâ€™t help me  
Please donâ€™t help me

And stop putting me down cause I wonâ€™t ever  
understand  
I see it in your eyes  
I see it in your eyes

Iâ€™m trying not to speak  
Cause you canâ€™t hear my voice  
And nothing seems familiar here  
On the other side of this town  
Please donâ€™t help me  
Please donâ€™t help me

And stop putting me down cause I wonâ€™t ever  
understand  
I see it in your eyes  
I see it in your eyes

Ohhhhhh wooohhh  
If I say to start again  
Iâ€™ll try to take my time  
I wonder how fast you could try

All this time I thought u knew  
All this time I thought u knew
