I'm not asking for much,
I'm not asking for anything.

I'm alone and self-anaemic,
But sometimes you wake up,
If I could hold this hope inside my hands,
You'd understand they let us down.

I'm not asking for much,
I'm not asking for anything.

I won't waste a moment,
I won't waste a moment with fear.

We're alone or self-anaemic,
But sometimes we win,

I'm not asking for much,
I'm not asking for anything.

I won't waste a moment,
I won't waste a moment.

I could run,
I could run,
I could run,
I could run,
Let me go.

Just cover up your eyes,
So I can make sense of it all,
Waking me up,
Just shut your eyes,
So I can make sense of it all.
