"Calling On All Stations"

It's not that I don't love you anymore.
It's not that I don't want you anymore.
It's not that I don't need this to be true,
and I'm calling on all stations just to get through.

We have done nothing wrong so now you ought to
know,
I will never bow to you again.
I have found a place to belong and you should know,
I vow to save this country from all the lies.

It's not that I don't love you anymore.
It's not that I don't need you anymore.
I'm losing all my patience over you.
I'm losing all my patience over you.

We have done nothing wrong so now you ought to
know,
I will never bow to you again.
I have found a place to belong and you should know,
I vow to save this country from all the lies.

Your words are always too true.
These words just always lose you.
I will never bow to you again.
I have found a place to belong and you should know,
I will never bow to you again.
I have found a place to belong and you should know,
I vow to save this country.
