I woke up cold November,  
It takes a lot to show my face around here.  
I've only myself to blame.

I tried not to lose,  
What I tried so hard to show to you.

How long, can I wait here?  
I'm all torn, by your words.  
I'm broken, yet we're still burning,  
Just hold on till the end.

I crossed out all the stars,  
To try to show that she was once amongst them.  
I've only myself to blame.

I tried not to lose,  
But I tried so hard to show to you.

How long, can I wait here?  
I'm all torn, by your words.  
I'm broken, yet we're still burning,  
Just hold on till the end.

It's been a long time,  
It's been such a long time.

How long, can I wait here?  
I'm all torn, by your words.  
I'm broken, yet we're still burning.  
Just hold on till the end.
