I'm not in your house,
But i'm not in your head,
You're not even listening.
It's so hard to know
When you're not scared.

Please don't help me,
Please don't hate me.

Stop putting me down,
Coz I won't ever understand,
(You're part of this),
(You're part of me),
I see it in your eyes,
I see it in your mind,
(You're part of this),
(You're part of me).

I'm trying not to speak,
Coz you can't hear my voice,
Nothing seems familiar here.
On the other side
Of this town.

Please don't help me,
Please don't help me.

Stop putting me down,
Coz I won't ever understand,
(You're part of this),
(You're part of me),
I see it in your eyes,
I see it in your mind,
(You're part of this),
(You're part of me).

Hold On..
Hold On..

If I see this all again,
I'll try to take my time,
I wonder how fast you could try.

All this time I thought you knew
All this time I thought you knew.
