"Waste A Moment"

I'm not asking for much
I'm not asking for anything

I'm alone and self anemic
But sometimes you wake up
If I could hold this hope inside my hands
You'd understand, they let us down

Well, I'm not asking for much
I'm not asking for anything

I, I won't waste a moment
I, I won't waste a moment you feel

We're alone and self anemic
But sometimes we win

Well, I'm not asking for much
But I'm not asking for anything

I, I won't waste a moment
I, I won't waste a moment

I could run, I could run, I could run, I could run
Let me go, I could run, I could run, I could run
Let me go, I could run, I could run, I could run
Let me go, I could run, I could run, I could run
I could run

Just cover up your eyes
So I can make sense of it all
You're waking me up

Just shut your eyes
So I can make sense of it all
So I can make sense of it all
So I can make sense of it all
