Standing there, life going nowhere  
I can't believe this  
Wasting life, all this time  
You can't see the truth I know  
Call me ignorant, but I'm not alone  
I have faith in God and won't quit  
ÃfÃ;ÃçÃ€Ã Ã<Ã†Ã  
I try to be a witness day by day  
Sometimes, it's hard  
With Christ's help I will spread the word  
Holding back  
I look into your eyes but  
I can't see the fire

That you once possessed  
That you once knew  
Pride is why you're holding back  
Torn behind heart and mind  
A child lost, calling out  
In this world far from home
