"We Were Invincible"

There is nothing left but ashes on this ground
Sometimes it's hard to believe it's all gone
Never thought I'd fall
Never thought I'd fall like this

All the work that we put in here
Here we stood so proud
Now it doesn't matter, it's all gone
Never thought I'd fall
Never thought I'd fall like this

It burns

The end began
Just when we thought we were invincible
And there's no way I'm ever going back

There's no way I'm going back
To how it was back then
Too many times I tried living in the past
Too many times I tried and I failed

I tried and I failed
I tried and I failed
I failed
