"Hey Girl"

Hey, girl, on your toe
You were right so now let's go
Oh yeah, oh yeah oh yeah oh yeah

Drove out late that night
Can't go back, now don't feel bad
Oh yeah, oh yeah oh yeah oh yeah

Hey, girl, it's a long way home
You were right, and I was wrong
Sometimes life ain't fair
But did we care when we were there?

Hey, girl, see my face
Hungry for the pie you made
Oh yeah, oh yeah oh yeah oh yeah

Where should we go from here
Far away or end this somewhere near
Oh yeah, oh yeah oh yeah oh yeah

Hey, girl, it's a long way home
You were right and I was wrong
Sometimes life ain't fair

But did we care when we were there?
Did we care, when we were there,
When we were there, when we were there

Come on, come on, come on,
Come on, come on, come on...
