After all it's just a long way home  
And after all it's just a long way home  
And after all we had a long talk  
Now we're doing what it takes  
We're just giving up the side we know

I've got to work it out  
Oh no, I've got to work it out  
I've got to work it out  
Oh no, I've got to work it out

It's safe to say we're safe  
We stayed in bed all day  
Please ask if we can stay here  
Please ask if there's a problem  
Yes, we're giving up the side we know

I've got to work it out  
Oh no, I've got to work it out  
I've got to work it out  
Oh no, I've got to work it out

I've got other plans on the outer front  
I'll take a chance  
I've got to work it out  
From the A to the Z with whatever I've got

I've got to work it out  
Oh no, I've got to work it out  
I've got to work it out  
Oh no, I've got to work it out

I've got other plans on the outer front  
I'll take a chance  
I've got to work it out  
From the A to the Z with whatever I've got
