Chorus:

Why don't you be my naughty, be my naughty girl

Why don't you be my naughty, be my naughty girl

Why don't you be my naughty, be my naughty girl

In the morning time, ooh ooh

In the evening time, ooh ooh

When the sun don't shine, ooh ooh

And the mood is right, ooh ooh

First time I saw your face, knew it was true lovin

Although you're a million miles away

Come take my hand my love, I'll lead you to the
promised land

A land where the milk and honey grows

(chorus)

Come take my hand my love, I'll lead you to the
promised land

A land where the milk and honey grows

Throw away your diamonds and pearls, I'll take you to
another world

A world of love and harmony

(chorus)

I lo-lo-love to pla-la-lay my yel-le-low mandel-le-lo

It feel-lil-eels so ni-li-lice

I say, ni ni ni ni ni ni ni ni

(chorus)
