"Nothing Comes To Sleepers"

With the sunshine comes the dawning of a day
Still another dream has come and slipped away
Scattered visions of the things you want to be
Make you open up your mind and try to see
How to make dreams come true
Ohh life is but a dream...nothing comes to sleepers but
a dream
Ohh life is but a dream...nothing comes to sleepers but
a dream
Standing all alone you wonder what is real
Is it what you see or is it what you feel (is it what you
feel)
While your wondering the day has passed away
No more time for wondering it is time to pray
God make our dreams come true
Ohh life is but a dream...nothing comes to sleepers but
a dream
Ohh life is but a dream...nothing comes to sleepers but
a dream
Far beyond the sky the source of everything
Seems to hold within his hands your destiny (hold your
destiny)
In the twinkling of an eye your life could change (belive
me it could change)
Turn the sunshine in your life to tears of pain
God made our dreams come true
Ohh life is but a dream...nothing comes to sleepers but
a dream
Ohh life is but a dream...nothing comes to sleepers but
a dream
Ohh life is but a dream yea...nothing comes to sleepers
but a dream
