You're looking kinda lonely girl  
Would you like someone new to talk to,  
Ah yeh alright  
I'm feelin kinda lonely too  
If you dont mind can i sit down here beside you  
Ah yeh alright

If i seem to come on too strong  
I hope that you will understand  
I say these things 'cause i'd like to know  
If you're as lonely as i am  
And if you mind

Sharing the night together, oh yeah  
Sharing the night together, oh yeah  
Sharing the night

We could bring in the morning girl  
If you want to go that far  
AND if tomorrow finds us together  
Right here the way we are  
Would you mind

Sharing the night together, oh yeah  
Sharing the night together, oh yeah  
Sharing the night

Would you like to dance with me and hold me  
You know i want to be holing you  
ah yeah alright

Like to get to know you better  
Is there a place where we can go  
Where we can be alone together  
And turn the lights down low  
And start sharing the night
