[1st Verse]

I know your thinkin about it.  
How to approach me.  
You've been really contemplating  
if you should see me.  
Simmer down baby  
Simmer down baby  
I'm gonna be the first one that will make a move on you  
Its just that I can't do it right now.  
Experience has taught me other wise.  
And that has taught me so much in life.

[Chorus]

Cause on the first time you been up right shine  
I'm just here to assure you i'm not that kind of guy.  
Girl i'll be your sunshine when its raining outside.  
I'm the only thing that you got goin, in your life  
Simmer down

[2nd Verse]

You really should be using caution.  
If you don't do it.  
I'm not gon force myself on you  
just call it groovin  
Girl when i first layed eyes on you i felt distraught.  
Your all the hard way i've been waiting for

[Repeat Chorus]

[Rap]

If there is no trust girl you can trust me.  
I'll be the lover that you'll always need  
Because i know that you had been hurt in the past.  
Body love repelling i know will last.  
Because you love me girl and i love you too.  
I'll do the things that you want me to do.  
Count on me you'll know i will come through.  
Because its the love that we have its true.

[Repeat Chorus]

I'm your sunshine when its raining outside.
