(Chorus - Lemar)

All I want is you, All I want is you  
All I need is you, all I need is you  
All I want is you, all I want is you  
All I need is you, all I need is you  
Come over here girl, Come over here girl (C'mon)  
Come over here girl, Come over here girl  
I got a lot of things I wanna say to ya  
I wanna get into ya  
Girl, all I need is you

(Filip Filipi)

Now there she goes again, the dopest Yugoslavian  
And the world around me starts moving in slow motion  
When she walks by, I open up the suicides  
And the purple haze fades into the purple sky  
And we match cause her birthday in July  
And I go berzerk without her by my side (my side)  
She never leaves me by my lonesome  
Bullet proof glass, tints if I want some  
Black hair, brown eyes and Slavic  
Hitler's nightmare, but to me she magic  
What you take cash credit or you automatic  
What you mean not for sale, don't understand it  
What the fuck you mean I can't have it  
It ain't trickin if you got it, silly rabbit  
I lay your head on my chest, come feel my heartbeat  
Park the jeep, spark the leaf and recline the seat

(Chorus)

I'm standin on the bridge, she the water under  
And I'll forever wonder, what it coulda come to  
Fuck Montana, clouds over Rijeka  
One year apart, took longer to make her  
She gets me higher than Apollo 4  
Throat deep like she swallow swords  
Till it shine like armor all, work her circle like a matador  
She a Muslim, can't blame it on the alcohol  
I got her name tattooed on my ring finger  
On my heart and my soul, she could have my liver  
My fly Gemini enchantress

Pretty eyes tell beautiful lies just for practice  
Model bitches can't get any prettier  
Fighting over Kashmir like pakis and Indians  
When I was broke used to diss me and I aint forget it  
Zato se sad ja nesebam tebe (tebe)

(Chorus)
