Got a green light gotta green light yeah,
But I'm going nowhere.
Gotta green light gotta red light yeah.
No cop no stop I don't care.
Every one of you could be the same,
Every one of you could play the game.
Gotta green light gotta green light yeah,
But your going nowhere.

You know the best things in life,
Aren't for me.
You know the best things in life,
Aren't for free.

Gotta new life gotta new plight yeah,
And it's going nowhere.
Got a mountaintop like a pin drop yeah.
No God no thought I don't care.
Every one of you could be the same,
Every one of you can play this game.
Gotta new life gotta new plight yeah,
And it's going nowhere.

You know the best things in life,
Aren't for me.
You know the best things in life,
Aren't for free,
Aren't for me.

Gotta new find gotta new crime yeah,
And it's going nowhere.
Like a global path like a car crash yeah,
No cop no stop he don't care.
Every one of you are just the same,
Every one of you will play this game.
Gotta new find gotta new crime yeah,
And it's going nowhere.

You know the best things in life,
Aren't for me.
You know the best things in life,

Aren't for free.
You know the best things in life,
Aren't for me.
You know the best things in life,
Aren't for free.

You know the best things in life,
Aren't for me.
You know the best things in life,
Aren't for free....
