I've got the understanding of a 4-year-old  
I've got the piece of mind of a killer soul  
I've got the rationale of a New York cop  
I've got the patience of a chopping block, yeah  
Trip like I do  
Trip like I do (oh my god this is the best)

I've got the acumen of a season broke  
I've got the lack of say of a billion souls  
I've got the world on my back but I don't seem to care  
I've got the comprehension of a world unaware, yeah  
Trip like I do  
Trip like I do (oh my god this is the best)  
Trip like I do (mm... I want you to trip like I do)

Can't you, can't you trip like I do  
Can't you, can't you trip like I do

Laid down my back I can't sleep 'cause I'm falling  
Eyes in my teeth I can't see 'cause I'm eating  
Head full of noise I can't think 'cause it's crushing  
Back on my feet like a freight train I'm coming  
Can everybody feel like I do  
Can everybody feel like I do (oh my god)

Can't you, can't you trip like I do  
Can't you, can't you trip like I do (oh my god)

Can't you trip, can't you think, can't you feel like I do  
Can't you walk, can't you breathe, can't you trip like I  
do...  
Like me...
