Are you deviant one a who just likes having fun
Or is it dominant games that light up your flame

Come dance with a devil
Dance with a devil, like me
Come dance with a devil
Dance with a devil, like me

If it's new highs
That you're lying for
The thrill of surprise
I can give you for sure

Come dance with a devil
Dance with a devil, like me
Come dance with a devil
Dance with a devil, like me
Come dance with a devil
Dance with a devil, like me
Come dance with a devil
Dance with a devil, like me
